

We're always looking for people who want to help!

- If you want to take part in organizing a meeting, or would like to give a tutorial/talk
- If you or your company can support us financially or with practical things

drop us a message on our fb page or via e-mail

R-Ladies Global

What is R-Ladies?

- A global community of ladies who use R
- that seeks to *support* and *inspire* others
- through **teaching, sharing, and mentorship**

R-Ladies Bergen

Who are we?

- Jonelle Dickow Villar
- Julia Romanowska:
data scientist who loves visualization and programming
<https://jrom.bitbucket.io/homepage/>
- Astrid Lunde

What is it all about?

- We are a group of cool people
- We gather roughly bi-monthly
- We support each other by e.g., help with programming
- We inspire each other through discussions and presentations
- We learn from each other through tutorials

How to join?

- create your profile at [meetup.com](https://www.meetup.com)
- join our group (*check out the link below*)
